Course Description

This is a special studies course involving an artist apprenticeship with a renowned local artist or an artist connected to the Accademia di Belle Arti di Bologna. It can also involve a group or solo art show held at the Accademia di Belle Arti with the invitation of a faculty member, or an art show held at a local gallery. The Special Study internship is arranged with the Study Center Director or Liaison Officer. Specific internships vary each term and are described on a special study internship form for each student. A substantial paper or series of reports is required. Units vary depending on the contact hours and method of assessment. The internship may be taken during one or more terms but the units cannot exceed a total of 12.0 for the year.
