UCEAP Transcript Title POSTCOLONIAL ST: HK
UCEAP Quarter Units 5.00
UCEAP Semester Units 3.30

Course Description

This course examines Postcolonial Studies in dialogue with local voices of critique across fields and disciplines to reexamine (post)colonial experiences of Hong Kong and their legacy and imprints expressed in cultural, literary, cinematic, historical texts. By unpacking the anomality of the case of Hong Kong and organizing local critical scholarship on cultural production, this course also seeks to “reconfigure postcolonial discourse as a critical mode of imagination in a world altered now by global capitalism”.
