INTELLECT PROPERTY

**UCEAP Quarter Units**

4.50

**UCEAP Semester Units**

3.00

**Course Description**

This seminar theoretically and empirically discusses the commodification of knowledge and its availability to all. It also considers copying as a form of theft or piracy. It looks at concepts such as knowledge, creativity, innovation and intellectual property rights from a range of perspectives on International and Comparative Political Economy. Various cases are studied wherein actors argue over the protection of knowledge goods.
