4.50

UCEAP Semester Units
3.00

Course Description

This course exposes students to public and scientific debates pertaining to colonial past, and the gender studies, research methods, and writing of contemporary history. It explores these concepts through several lenses over three parts of the course: historical approaches to the colonial past, the use of gender studies, and the new history of colonial wars. Each theme includes an introduction to the field of research, discussions and presentations based on readings, and scientific articles and archives.

Language(s) of Instruction
French
