UCEAP Official Title CONTEMPORARY DRAWING: LIFE
UCEAP Transcript Title CONTEMP DRAWNG:LIFE
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description
This course offers a series of practice-led lab sessions that investigate ways of evaluating, describing, and illustrating the various elements of a visual image such as shape and form, space, line, values, and texture. Students learn to apply, test, and question these techniques through the development of a conceptually driven project. In addition to studio-based activities, students participate in peer-evaluation and undertake theoretical research.
