4.50

**UCEAP Semester Units**

3.00

## Course Description

This course examines the relationship between art and philosophy. Art is the fruit of practical life and the object of philosophical reflection. We gain insight into ourselves and our world through philosophical thought. The course discovers the historical origin and context of the major concepts regarding art, the background and meaning of philosophical discourses around art, and the process of formation and transfiguration of the definition of art and its critical categories.
