Course Description
After completing this course students are able to: understand most uncomplicated speech in varied domains (television, radio talk, lectures) and take notes; initiate, sustain and close a general conversation with a number of strategies appropriate to a range of circumstances and topics such as topics related to curriculum, to other courses they are taking, news of the world; perform simple but connected discourse, simple narration, or descriptions; write simple letters, short papers, summaries, and to take notes on familiar topics; be understood by interlocutors not accustomed to dealing with non-native speakers; name, identify, and analyze key events of French history (between eighteenth and twentieth century); analyze extracts from French literature relate development of modern dance in France; identify, illustrate, interpret, and manage professional situations where the French corporate culture is involved. The course is based on the development of skills and strategies that enable students to successfully handle most uncomplicated oral and written tasks, and social situations they may be confronted with in daily life in France or in French-speaking countries. The course focuses as well on a panorama of French culture. This panorama is presented in four different modules: history of France, French literature, emergence of modern dance and its interaction with painting, and corporate culture. The main activity is to perform oral and written communication tasks individually, in pairs, or in a group. Prerequisite for this course is a beginning level French course.
