**Course Description**

The course analyzes a variety of genres in the performing arts, including classic plays and modern media plays, as well as, opera and Korean traditional "Pansori" performances. Some sessions include special lectures from guest speakers who are actively working in the field of performing arts. Three professors from three different departments (Korean Studies; Chinese Language and Literature; and German Language and Literature) teach the history of performing arts in the Eastern and Western cultures. This course is offered to anyone interested in performing arts.
