Course Description

Using examples taken from literature, art, television, stand-up comedy, and everyday discourse, this course explores the use of humor in British culture. A defining characteristic of Britishness, the use of humor is examined in a range of contexts, with a focus on literary and comic deployments of irony, satire, farce, surrealism, and incongruity. The course develops students' ability to understand, describe, and analyze particular examples of humor, along with opportunities to practice their analytic writing skills.
