UCEAP Official Title THE RELIGIOUS IMPACT OF MIGRATION IN SWEDEN
UCEAP Transcript Title RELIGS IMPCT MIGRTN
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description
The course focuses on the various religious communities in contemporary Sweden that have resulted from migration and their impact on Swedish society. Students consider how migration has influenced Sweden during the last decades. Religion is analyzed as one area where this is clearly seen, and religiosity in Sweden as being pluralistic to a high degree is also discussed. Students consider Sweden as one of the most secularized societies in the world, and analyze how that makes the new religious plurality a challenging situation.
