**UCEAP Quarter Units**

6.00

**UCEAP Semester Units**

4.00

### **Course Description**

This course introduces moral and political philosophy based on writings of Rousseau. It is divided into two parts: the first part focuses on moral philosophy and the second part on political philosophy. This theoretical path engages Rousseau in a dialogue with the philosophical positions to which he opposes or which oppose him, including after the publication of his writings, in order to address the major problems and concepts of moral and political philosophy.
