UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

This course examines the discourse on arts and media specificities and relations between arts and media from a theoretical perspective, with an eye to the historical dimensions. It covers how can media be combined; how can media content or form be transferred from one medium to another; how do media refer to one another; how do we define media specificity and media borders; how do media represent each other or even stage each other; and how do media work together to build complex possible worlds.
