Course Description

This intensive course is intended for foreign learners who have completed CHIN9502 (first year) or have attained an equivalent level of competency. It develops audio-lingual proficiency as well as raises reading and writing ability and the ability to converse on daily topics with Chinese people, and present short speeches based on the assigned topics. Emphasis is placed on everyday topics and common patterns facilitate communication in Chinese. Students learn to write 250 new characters on top of approximately 500 characters acquired at the previous level. Students should be able to recognize no less than 1000 Chinese characters accumulated through previous learning. Students are taught to write short compositions of about 200 characters.
