UCEAP Transcript Title JUSTICE THEORY&PRAC
UCEAP Quarter Units 4.50
UCEAP Semester Units 3.00

Course Description

This course examines contemporary theories of justice such as those of Sen, Rawls, and Dworkin in the light of the distinction between theory and practice that we inherit from Aristotle. Of particular interest are those approaches to modern political problems that combine the unique insights that emerge from a sensitivity to conceptual history with the unquestionable moral progress that is owed to the ethical outlook of modern democracy.
