Course Description

This course provides an comprehensive introduction on the European Union. The course begins with its historical predecessors and progresses to its current iteration in the 21st century. Topics covered include: EU's political structure; EU's legal framework, EU's process of enlargement; relationship between Great Britain and Germany; Eurocrisis. The course aims to provide an understanding of what the EU is, how it works, its strengths and weakness, and how it may involve. It will also focus on contemporary events such the migrant crisis, and Brexit. Assessment: Coursework, essay, final exam.
