Course Description

The curriculum of the course is designed for Chinese learners who are studying a beginning course in Chinese. The teaching language of this course is mainly in Chinese, supplemented by English. The goal of the course is to help learners acquire basic language ability for common use in daily conversations. The course covers various topics such as introducing self and others; exchanging information with others; buying food or drinks; bargaining; buying tickets; describing and assessing food and their tastes in a simple way; explaining one's own location and position, and planning travel..
