Course Description

This course charts the history of the Israeli-Palestinian conflict from the rise of political Zionism and Palestinian-Arab nationalism to the present day. It provides an understanding of the political and scholarly debates surrounding the causes for the dispute through the eyes of the belligerent societies, and the efforts that have been made to resolve it (and their degree of success or failure). It includes an evaluation of attempts to resolve the conflict and the factors shaping peace-making efforts to the present day.
