8.00

Course Description

This course introduces and analyzes a number of lesser known perspectives and claimed solutions to problems that humanity and the world have been facing over the past 200 years by focusing on a range of spiritual and esoteric groups and movements. The course focuses on three major themes: global history and ideas about global communities; nature, ecology, sustainability, and animistic spiritualities; and human nature, ethics, and activism.

Language(s) of Instruction
English
