UCEAP Transcript Title SOCIOLOGY OF LAW
UCEAP Quarter Units 4.50
UCEAP Semester Units 3.00

Course Description

This course exposes students to the theoretical frameworks from sociology that are used to examine how the law shapes society and how society shapes the law. The course also applies these theoretical perspectives to current legal issues and policies and emphasizes the social, political, cultural, and historical aspects of the law rather than through legal doctrines, statues or judicial opinions (though these aspects are discussed).
