Course Description

This course is a three-week intensive experiential course in Ghana, West Africa that features concentrated study, lectures, roundtables, field trips, and interactions with the people of Ghana. The course involves an in-depth examination of Ghanaian history, culture, governance, family and society, gender issues, and development challenges. The course also includes language instruction, language practice situations in the field, dance lessons, drumming lessons, and field excursions to culturally and historically significant sites in Kumasi, Cape Coast, or other areas. It also introduces a host of practical skills and information to help with adjustment to and living in Ghana. The course is comprised of 45 hours of lectures and over 30 hours of field interactions.
