**Course Description**

The course provides a survey of U.S. history and culture from the country's origins through the end of the 18th century. It examines concepts of diversity in culture, ethnicity, gender, and sexuality in the United States using a critical approach. Topics include: Indigenous American cultures; the meeting of cultures with the arrival of Europeans and African slave population; the Enlightenment and Great Awakening; the American Revolution and declaration of independence; formation of the national government (US democracy and the constitution).

**Language(s) of Instruction**
English
