UCEAP Transcript Title DEVELOPMENT ECON
UCEAP Quarter Units 5.50
UCEAP Semester Units

3.70

Course Description

The course uses all the skills that students have developed as economists to try and answer important economic questions. Providing an answer is hard because solving the problem of world poverty is not as simple as reallocating income. The course uses rigorous impact evaluation to find out whether the intervention implied by theory works.

Language(s) of Instruction
English
