UCEAP Semester Units

3.00

Course Description
Within the framework of an academic conception of time, progression, and development, this course provides an overview of the development of various theories of language change and the history of language. Particular attention is paid to locating each major theory within shifting attitudes and focuses in the field of historical linguistics, as well as analyzing and categorizing each theory as it pertains to the methodologies used, the structural approaches, and philosophical conceptions of language.
