UCEAP Transcript Title GLOBAL FICTIONS
UCEAP Quarter Units 8.00
UCEAP Semester Units 5.30

Course Description
This course examines fiction written in all corners of the globe within the last ten years. It explores how literature has responded to a world where countries, peoples, and cultures are increasingly interconnected through travel, immigration, the Internet, and major issues - from terrorism to climate change to international politics - that affect us and force us to act on a global level. It examines questions of race, nation, globalization, gender, transnationalism, and "world Englishes."
