UCEAP Transcript Title SEX/GENDER & PHIL
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

This course examines the philosophy of sex and gender in three steps. It first looks at how the human subject in the history of philosophy is sexed and privileged as a man. It then examines the metaphysics of gender, questioning both essentialist and constructionist versions of gender ontology. Lastly, it pursues the question of intersectionality and its relationship with sex and gender
