DOC FILM & HISTORY

UCEAP Quarter Units

6.00

UCEAP Semester Units

4.00

Course Description

This course examines how documentary films have both represented and revised the past. From the earliest radical Bolshevik pioneers to the home movies of the forties, to the current use of the phone camera to record emergency and war, and even to the wildlife documentary, this course explores how documentary films interpret history, make history and in some cases, have even changed history.

Language(s) of Instruction
