HIST NORTH SEA ZNE

UCEAP Quarter Units
6.00

UCEAP Semester Units
4.00

Course Description
In this course, students test the significance of Britain's “insularity” and separation from the rest of medieval Europe against its integral role in the world of the medieval North Sea. They compare conversions religious, linguistic, and historical; explore changing ideas of identity in northern Europe, and how repeated invasion impacted them; and learn to identify perspective and bias in primary source accounts.

Language(s) of Instruction
English
