UCEAP Transcript Title FR MEDIEVAL HIST
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

After the fall of the Roman Empire, the Western world of the early Middle Ages underwent centuries of transformation marked by new political structures, the adoption of Christianity, and a renewed social organization. This course offers an overview of the early European Middle Ages, prior to the Gregorian Reform and the Crusades, and examines political, social, economic, and cultural aspects while introducing the historical sources that allow us to reconstruct this period.

Language(s) of Instruction
French
