Course Description
This course focuses on state-society relations in Hong Kong. Topics covered include: characteristics in a colonial society; the political regime under "One Country, Two Systems;" explaining the endurance of the authoritarian regime; civil society, protests, and pro-democracy movement; and political identity. Students are expected to complete numerous readings on these topics - from classics to the latest research - and discuss them during class. Assessments: Class participation, presentation (20%), learning journal (20%), research paper (40%).
