| **UCEAP Semester Units**<br>2.70 |

**Course Description**
Chieftaincy is about the best known and the most cherished institution in most parts of Africa, yet very few people are conversant with its internal workings. This course provides a general overview of the chieftaincy institution and its relationship to development in Africa. It examines how the chieftaincy institution changed through time. The course also explores how chiefs function in their communities and how they adapt themselves to the modern dynamics of political state formation in Africa.
