4.50

UCEAP Semester Units

3.00

Course Description

This course introduces concepts and theories of Political Economy to shed light on Europe’s history and presence: the course askes and tries to answer questions on how the EU developed from a peace-making into a market-making project, what conflicts and dilemmas this has entailed, what the most recent and future challenges are, and how the EU responds to them in institutional and policy regard.

Language(s) of Instruction
English
