Course Description

This course explores the contemporary host culture through the lenses of intercultural studies. It covers current cultural, societal, and political themes in the host city, compares ethnic and racial identities in the host country and the United States., and explores the experiences of diverse populations within the host country. The course examines the complexity of host culture values, beliefs, and practices and how to identify the cultural differences and similarities between the host culture and U.S. American cultures. It also discusses key intercultural communication theories, frameworks, and leadership practices in order to deepen cultural self-awareness, acquire new perspectives, and effectively communicate and interact with culturally diverse populations.
