Course Description

This course is divided into two parts. The first part focuses on government and politics: the EU as a political system; the Council, the Commission, and the Parliament in the policy process; Court of Justice and judicial politics; public opinion and EP elections; parties and Europe, and interest representation. The second part includes public policy: the policy-making process, policy implementation, the single market, social and environmental policies, budgetary policies, EMU, migration policies, and external relations policies.
