Course Description

This course provides a basic overview of Israel's legal system, its core principles, and its central institutions. The course focuses on the development of Israel's law since the founding of the state; important issues, including politics, affecting Israeli law; and the Israeli approach to specific and focused fields of law. The course aims to introduce the fundamentals of Israel's legal system, important developments and key jurists since the founding of the state, and discuss specific areas of law in Israel.
