UCEAP Course Suffix
UCEAP Official Title DECOLONIZING SOCIOLOGY
UCEAP Transcript Title DECOLONIZING SOCIOL
UCEAP Quarter Units 4.50
UCEAP Semester Units 3.00

Course Description

This course addresses the call for the provincialization of Europe and the West, the decolonization of science, and the indigenization of national or regional social sciences. It covers the history of sociology from the mid-19th century onwards, including new insights into the hidden development of Southern sociology and a more critical vision about how the canonization at play in sociology still excludes minorities, women, and Southern sociologists.
