Course Description
This course provides comprehensive training in reading, listening, speaking and writing in Japanese at the elementary level with an emphasis on elementary grammar. Language lessons are conducted in four languages: Japanese, English, Cantonese and Mandarin. Teachers use various kinds of conversational practices based on natural conversation emphasizing the use of the language in context. It focuses on sentence pattern practice and basic grammar, oral drills, simple compositions, dictation, translation, and reading. This course starts from the writing system and basic pronunciation.
