UCEAP Transcript Title
MERCENARIES 20C

UCEAP Quarter Units
4.50

UCEAP Semester Units

3.00

Course Description
Despite a highly controversial reputation, mercenaries have become an integral part of contemporary warfare. What makes a mercenary and how this type of warrior is to be taken analytically, is still controversial and fed by quite differently stored sources and perspectives. The perception and effectiveness of mercenaries in the (late) twentieth century should therefore be explored in the field of politics and history, (entertainment) culture, and self-testimonials of active mercenaries.

Language(s) of Instruction
German
