4.50

**UCEAP Semester Units**

3.00

## Course Description

This course introduces selective Western and Chinese literary novels, and provides a forum for extended practice in the art of creative writing. It is designed for students who have little or no previous experience writing literary texts in a particular genre. Introductory workshops cover a variety of technical and imaginative concerns through exercises, readings, and discussions. In addition to weekly reading literary classics, this course focuses on writing literary novels in Chinese or cross the boundaries of the genre.
