Course Description
This course is designed to introduce Chinese society to advanced level non-native speakers of Chinese. Adopting a completely new perspective on China, this course examines the essence of Chinese culture based on a Chinese-Western cross-cultural framework, introducing Chinese geography, history, economics, philosophy and customs, in order to provide a general understanding of China's national conditions and core values. At the same time, the course expands knowledge of China, removes language barriers caused by the lack of background knowledge of Chinese culture and cross-cultural misunderstandings.
