## Course Description

Intermediate General French Studies. This course includes a grammar module which aims to develop language skills in listening, speaking, reading and writing, and provides an introduction to the basic techniques of translation (French-English); and an introduction to French and Francophone cultures, civilizations and literatures. Goals: Can understand the essential points when clear and standard language is used and if it is something familiar in the workplace, school, leisure, etc. Can cope in most situations encountered while traveling in an area where the target language is spoken. Can produce a simple and coherent speech on familiar subjects and in his areas of interest. Can tell a event, experience or dream, describe a hope or goal, and briefly state reasons or explanations for a project or an idea.
