2.30

Course Description
The course proposes an analysis of the origin and evolution of the modern world order from its early beginnings to the contemporary post-Cold War world. Its purpose is to go back over the major stages of this evolution with the view of enabling students to have an in-depth knowledge of long-terms trends and processes at the roots of current world affairs. Because social sciences is a multidisciplinary field, the analysis throughout the course is open to various interpretations.
