6.00

UCEAP Semester Units

4.00

Course Description

This course introduces students to the interpreting industry of Japan, covering legal and court interpreting; news and broadcast interpreting; medical and hospital interpreting, and sign-language interpreting. The course also covers the concept and framework of community interpreting, analyzing the role of interpreters in the Japanese community through their own experience of living in Japan.

The course provides the opportunity to research fields in Japan where community interpreting is still lacking and how a proper framework may be established to meet these societal needs.

Language(s) of Instruction
English
