US FOREIGN POLICY

UCEAP Quarter Units

4.50

UCEAP Semester Units

3.00

Course Description

This seminar explores American foreign policy from within. It studies the actors making it, their purpose, and the constraints they face. US foreign policy making is shaped by both American culture and the peculiarities of American democracy. Conversely, the constraints and the imperatives inherent to the conduct of foreign policy can sometimes endanger democratic principles. The course analyzes the fundamental debates over these issues and considers their evolution over time through in-depth case studies.
