Course Description

This workshop is for students of advanced level French (Level C1-2). Its goal is to improve oral and written expression and understanding, through the discovery of francophone poetry from Ronsard to today. The workshop has three foci: comedic poetry, politically-engaged poetry, and love poetry. The course allows the student to develop competencies in speaking, memorization, and pronunciation by articulating sounds and intonation. Students deepen their mastery of written expression by keeping a journal. There are five themes: cultural, linguistic, phonetic/speaking, lexical, and grammar.
