UCEAP Course Number 141
UCEAP Course Suffix
UCEAP Official Title SOCIAL THEORY
UCEAP Transcript Title SOCIAL THEORY
UCEAP Quarter Units 8.00
UCEAP Semester Units 5.30

Course Description
The course develops a sound knowledge and critical understanding of the academic disciplines of sociology and social anthropology. To pursue these aims, the course builds on knowledge gained in order to develop a more systematic and theoretical grasp of the disciplines of sociology and social anthropology as well as their contribution to the critical understanding of society; examines critically the analytical frameworks of classical and contemporary social theories; provides an adequate context for understanding different theoretical perspectives in sociology and anthropology; enables students to enhance their transferable and inter-personal skills, particularly in communication, time management, individual and group research work, and critical appraisal of social issues.
