UCEAP Transcript Title STORY OF BRITAIN
UCEAP Quarter Units 8.00
UCEAP Semester Units 5.30

Course Description

This course provides a long chronological overview of the archaeology of this island archipelago, from its earliest inhabitation to the great changes of the modern era. It explores this through the artefacts, landscapes, and buildings which help us understand different ways of life in the past, as well as the range of ideas and topics which archaeologists are interested in: social identity and conflict, creativity, technology, and ideology.

Language(s) of Instruction
English
