### **Course Description**

This course is a continuation of Chinese 5. It emphasizes the communicative function and the training of the four language skills (speaking, listening, reading and writing). A systematic way of introducing drills and exercises allows students to master the necessary grammatical knowledge and rules for word and sentence formation. The students are also involved in doing projects related to Chinese culture and history. Essay writing skills are strengthened. Classes are conducted in various ways including vocabulary introduction, short texts reading, grammar and character practicing, and storytelling.
