6.00

UCEAP Semester Units
4.00

Course Description
This course examines the political, social, and religious history of early modern Britain. Two momentous events dominate this period: the Protestant Reformation of the 16th century, and the Civil Wars of the 17th. The course examines the longer stories of religious, political, and social change that contextualize both of them. This course is for Fall semester students.

Language(s) of Instruction
English
