UCEAP Course Number 134
UCEAP Course Suffix
UCEAP Official Title HISTORY OF ENGLISH
UCEAP Transcript Title HISTORY OF ENGLISH
UCEAP Quarter Units 6.00
UCEAP Semester Units 4.00

Course Description

This course provides the groundwork for understanding the shape and status of the English language. The course is divided between the study of the ways in which it has changed since the Old English period, and the study of the social and cultural contexts in which those changes have happened. Special attention is given to the emergence of key dialects and to the relations between English and other languages in the British Isles. Students also gain experience of a range of different varieties of English.

Language(s) of Instruction
English
