Course Description

This Italian-taught course focuses on Italian literature. At the end of the course the student is expected to have a deep knowledge on diachronical aspects of the Italian literary tradition, knows the critical discussion on the keys issues about texts and authors, and is able to use the main tools of the methodological analysis of texts and contexts. The focus of the course changes each term, review the specific term's course details page in the University of Bologna online course catalog for information on your specific term's topic. The spring 2023 course focuses on feminine power, from the demonic to the divine.
